#### Reflection Questions

1. Do you think of your faith more as a set of spiritual ideas you believe or as a response to historical claims? Unpack this a bit. How did your perspective take shape? What influenced you to think of your faith in the way you do?
2. Have you ever been in the place of “checking out Jesus?” If so, what was that exploration like for you? When was it? How did it start? What were the highlights?
3. From what do you need to turn to come, or return, to Jesus?
4. When in your life do you feel you “saw” Jesus in the way he promised... as the One who would reconnect people to God?
5. How is God getting your attention?
6. What is God saying to you?
7. What are you going to do about it?
