Reflection Questions

1. Outside of the obvious examples of war, where in our world do you see the “breeding” struggle for resources taking place?
2. Think of a time in your life when Jesus became the Bread of Life for you in a particular way. Share that with the group.
3. Read 1 Timothy 6:19 aloud. Discuss the phrase, “the life that is truly life.” Where have you experienced true life in Christ, and where have you encountered counterfeit versions of “life”?
4. If a friend new to the faith asked you, “Does God choose us and make us believe, or do we choose to believe?” What would you say, and how might the discussion in the message around John 6:37 shape your response?
5. What captured your attention in the scripture or message?
6. What might God be saying to you?
7. What are you going to do about it?
